Join us for an unforgettable weekend at Chandigarh Pet Expo – C-PEX, North India's leading platform for the pet industry! This two-day event is a dynamic gateway for brands and businesses looking to enter or expand in the growing pet market. From retail and distribution to veterinary care and pet lovers, C-PEX brings the entire ecosystem together under one roof for networking, discovery, and celebration.

Chandigarh Kennel Club is a registered organization founded by passionate dog lovers and prominent citizens of the Tricity. The club is dedicated to educating the public on responsible pet care and promoting ethical breeding practices that uphold the highest pedigree standards. It is affiliated with the Kennel Club of India (KCI) and aligned with the Federation Cynologique Internationale (FCI), the world's largest canine organization. The club hosted its first Pet Show in 1982 and received official KCI affiliation the following year.

Building on the overwhelming success of its previous editions, the Chandigarh Pet Expo (C-PEX) returns with its 3rd Edition, promising to be bigger, better, and more vibrant than ever before!

Over the past two years, C-PEX has grown into a beloved event for pet lovers, industry professionals, and families alike. From exciting pet fashion shows and breed displays to interactive workshops and adoption drives, each edition has brought the pet community closer together—and this year, we're raising the bar!

The Chandigarh Kennel Club, a pioneer in hosting pet shows for over 41 years, will once again host its prestigious All Breeds Championship Show, specialty breed events, and a series of engaging competitions. Expect participation from top breeders and furry champions from across India and abroad, judged by renowned international experts from the FCI panel.

New to this year's edition is an even grander Horse Display Segment, showcasing the elegance, strength, and beauty of champion horses—a visual treat for visitors of all ages.

With a powerful mix of pet-centric exhibitions, entertainment, and community engagement, the 3rd Edition of C-PEX is all set to become North India's most awaited pet and equine celebration.
